COMBINED ANNUAL MEETING, BRANSON, MO – MAY 7 – 10, 2009

As if you needed another reason to come to Branson! Just in case world-class entertainment, shopping, championship golf courses, theme parks, and an incredible setting in the Ozark Mountains aren't enough, there is yet another incredible attraction that you won't want to miss.

The FIRST Annual Branson Air Show, which will set the stage for the grand opening of the [Branson Airport](#), takes place May 8-10, 2009!

What better way to celebrate the opening of [Branson Airport](#), the first privately financed and operated commercial airport in the United States, than through a world-class, action-packed air show? The country's top air show performers, including the [USAF Thunderbirds](#), [US Army Golden Knights](#), [Aeroshell Aerobatic Team](#), [Manfred Radius](#), [Patty Wagstaff](#), [John Klatt](#) (Air National Guard) and many more, will provide stunning displays of aerial acrobatics at this must-see event.

The show will also feature B-17, B-25, P-51 Mustang, Sea Fury, P-47, and Corsair static displays in addition to a concert from a to-be-determined performer.

Saturday Air Show VIP tickets for special tented seating are included in the registration package. If rained out, your ticket is good for Sunday. Tickets for the Friday and Sunday Air Shows are available at www.bransonairport.com.

Full registration attendees are eligible to win many outstanding door prizes (including a Bose headset and a Garmin 396) which will be awarded at various times during the weekend events. The Saturday night banquet will feature a special speaker TBA.
